

NOX PRODUCT

NOX NOX Corp.

LUT
EVERECO+
SPECIALTY PVC FREE DESIGN FLOORING

Luxury Urethane Tiles Greener & Tougher

The only PVC-free urethane tile that is fully recyclable, guarantees hassle-free glue-down installation, and provides exceptional wear resistance and easy maintenance

■ Greener

- I PVC-free, plasticizer-free, TVOC-free
- I 100% recyclable: Only polyurethane flooring that is fully recyclable, with 100% thermoplastic PU ingredient structure

■ Tougher

- I Highly elastic: Faster indentation recovery to external impact and better foot comfort
- I More stable: Superior dimensional stability and peel resistance with NOX EMT™ Core technology and fiberglass stabilization layer
- I Exceptional wear resistance: Wear layer guarantees durability for varying levels of foot traffic

NOX Lab Experiment Results

Other PU Flooring with thick PU coating layer	NOX LUT EVERECO ⁺ with wear layer
withstands 1,000 cycles	withstands 18,000 cycles

- I Enhanced scratch resistance: No visible scratches (MSR-B1) with optional upgrade to EPT SHIELD⁺ coating

■ Additional Benefits

- I Easier, hassle-free installation and maintenance
- I More reliable: NOX's IVP system guarantees complete quality control throughout the entire manufacturing process
- I More diverse: Wide array of 5,000+ in-house design options
